

Intrinsically-Safe Rubber Cased Torch Lite-Ex HD 10

The Lite-Ex HD 10 is a robust, rubber cased torch certified for use in Ex-areas classified to zone I in accordance with norm 1999/92/EG (ATEX 137).

The robust rubber casing makes the Lite-Ex HD 10 an ideal torch for working in the Ex-area. Comfortable to hold, non-slip and with an 'anti-roll' shape, this torch can be put in toolboxes or carried around without getting damaged. The excellent luminosity is produced by two AA (AA/LR6) batteries.
